4. First Aid Measures

| | |
|----------------------|---|
| Inhalation: | Move the affected person to fresh air. If they are not breathing, administer artificial respiration. Seek medical attention. |
| Skin contact: | Immediately remove contaminated clothing and shoes. Wash off affected area with soap and plenty of water. Consult a physician. |
| Eye contact: | Rinse thoroughly with plenty of water for at least 15 minutes. Consult a physician. |
| Ingestion: | Do not induce vomiting. Rinse mouth and drink plenty of water. Do not administer anything by mouth to an unconscious person. Consult a physician. |

5. Fire Fighting Measures

| | |
|-----------------------------------|---|
| Hazardous products of combustion: | Sulphur oxides |
| Extinguishing method: | Use water spray, alcohol-resistant foam, dry chemical extinguisher or carbon dioxide. |
| Special protective equipment: | Wear a self-contained breathing apparatus for fire fighting if necessary. |

6. Accidental Release Measures

Personal precautions

Use personal protective equipment. Ensure adequate ventilation. Avoid breathing vapors, mists or gas. Evacuate personnel to safe areas.

Environmental precautions

Prevent further leakage or spillage if it is safe to do so. Do not allow any leakage to enter sewers or waterways.

Methods for cleaning up accidentally released material

Soak any spilled contents up with an inert absorbent material and dispose of it as hazardous waste. Keep the waste in suitable, closed containers for disposal.

7. Handling and Storage

Handling: Avoid contact with skin and eyes. Avoid inhalation of vapours or mist.

Storage: Store the container tightly closed in a cool, dry, well-ventilated place. Open containers must be carefully resealed and kept upright to prevent leakage.

8. Exposure Controls/Personal Protection

| | |
|-------------------------|--|
| Engineering Controls: | Safety shower and eye bath. Mechanical exhaust ventilation required. |
| Respiratory protection: | Use a full-face, supplied air respirator. |
| Eye protection: | Wear protective goggles. |
| Hand protection: | Wear chemical resistant gloves. |
| Body protection: | Protective work clothing. |
